

**Raw Material Stocks
available from large
reputed domestic &
international suppliers for
Commodity Polymers, Steel,
Chemical Additives, etc.**

At competitive rates.

Power2SME is empowering businesses by facilitating a regular supply of raw materials from recognised sources, delivered direct to SMEs.

Our innovative business model permits us to pool small individual requirements in to one large bulk order, to negotiate a lower rate from certified manufacturers. The rates obtained are lower than those of the market, while the procured raw materials come with the guarantee of assured standard quality and time-bound deliveries.
